Tri-State Bar Association Comes Into Being at Paso  
Paso del Norte; Judge Jackson Welcomes Visitors;  
Constitution Almost Half Finished; Organization  
to Be Completed Today.

ORGANIZATION of a Tri-state Bar association, with 60 charter members was effected, at an enthusiastic meeting Tuesday morning in the banquet room of the Hotel Paso del Norte. With the constitution almost completed, the lawyers adjourned until 2 o'clock this afternoon, when the remaining work of organization will be finished and the officers elected.

E. C. Wade, Jr., presided at the opening session, and later was chosen as temporary secretary, when Judge Peyton F. Edwards was named temporary chairman. Mr. Wade introduced Judge Dan M. Jackson, of the 24th district court, who welcomed the visitors.

"The aims and interests of the lawyers in Arizona, New Mexico and west Texas are identical," said Judge Jackson, "and mutual advantages are sure to accrue from a closer relationship. I hope this

## FOODS ARE ROBBED OF MINERAL VALUE

Cause Fatal Ills Says Scientist—Why Vitalitas Is Widely Effective.

Many present day foods do not properly nourish the body for the reason that they are robbed of mineral value by refining, bleaching, clarifying, polishing and other beautifying processes. The result is mal-nutrition and many deadly ill such as indigestion, nerve troubles, biliousness, constipation, tuberculosis, appendicitis, decayed teeth are one of the minor afflictions.

There is no surer road to ill health than in mineral starvation, and the tendency now days is strongly in this direction. In general it is useless to attempt to supply mineral nutriment with drugs for they do not properly assimilate and fail to give relief. Vitalitas is one of the most effective means of feeding retained minerals to the body. It is rich in organic mineral properties that are essential to vigor and health and it gives them direct from nature to the system. This is a measure, and the most effective treatment of so many chronic and long standing disorders.

There are no mineral waters to equal Vitalitas. It is nature's best reconstructive and its effects are constitutional and not merely temporary. With the first dose you feel and know it will help you. Take it for chronic indigestion, rheumatism, nervous debility, liver and kidney ill. Visit the demonstration now in progress daily and sample Vitalitas at Kelly & Pollard's Drug Store, Sheldon Hotel. Also sold by Talber's Drug Store, Las Cruces; Columbus Drug Store, Columbus, Douglas Drug Store, Douglas, Busbee Drug Store, Bisbee, Ariz.

## CUT THIS OUT.

OLD ENGLISH REMEDY FOR CATARRH, DEAFNESS AND HEAD NOISES.

If you know some one who is troubled with head noises, or Catarrh of the Deafness, cut out this formula, and hand it to them, and you will have means of saving some poor sufferer perhaps from total deafness. Recent experiments have proved conclusively that Catarrh of Deafness, head noises, etc., were the direct cause of constitutional disease, and that salves, sprays, inhalers, etc., merely temporarily relieve the complaint and seldom, if ever, effect a permanent cure. This being so, much time and money has been spent of late by a noted specialist in performing a pure, gentle, yet effective tonic that would quickly dispel all traces of the catarrhal poison from the system. The effective prescription which was eventually formulated, and which has aroused the belief that deafness will soon be cured, is given below in understandable form, so that anyone can treat themselves in their own home at little expense.

Secure from your druggist 1 oz. Parment (Double Strength), about 75c worth. Take this home and add to it 1-4 pint of hot water and 1 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dripping in the back of the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety percent of all ear troubles are directly caused by catarrh; therefore, there must be many people whose hearing can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness, or ear-ache in any form, should give this prescription a trial.—Adv.

## Give Them All They Want

It is natural for the little ones to crave food between meals—let them have all they ask for.

Young, rapidly growing bodies, need nourishment—the strong, tissue- and muscle-building qualities essential to proper development. Foster in them a liking for pure, nutritious white bread, made with your own hands, from a grade of flour that gives the maximum nutrition. Cream of Wheat Flour is highly nutritious and healthful.

## Visitors To El Paso:

Now that you are here, take a good look at our city. We are very proud of El Paso, and we want everyone to realize what a progressive, energetic city we have, and the opportunities that are peculiarly her own for prosperous investment.

## Investments In Real Estate

We have written elsewhere about the future of the city: how and why she is destined to grow more rapidly, perhaps, than any city in the country, in proportion to her size.

We exposed the marvelous developments soon to take place that should make El Paso a manufacturing center of importance.

We have spoken of the commercial supremacy of the city, and shown how, by the development of the land in her trade-territory, her future as a commercial city will be greater than ever before.

Some mention has been made of the immense mining that is constantly going on in her territory, but we have not told the half of it—new mines, of unusual richness are continually being exploited—and El Paso is already the center of the richest mineralized section in the world.

The importance of the city as a port of entry between Mexico and the United States has been touched upon, and some prophecies made as to the growth that will follow the settlement of Mexico.

Cattle, sheep, horses—all are grown on a large scale in El Paso's territory, and shipped through the city.

El Paso is eminent as a jobbing center, supplying a region with a radius of 600 miles.

The completion of the Elephant Butte Dam will make the city an important agricultural center.

## Now Then!

Have some friend take you around the city and show you the tangible RESULTS of the conditions that are making El Paso great. Talk to some of the old-timers who can remember when the Sheldon Hotel was the largest building in El Paso, and there were no pavements, street cars, or lights in the streets—the days when the outskirts of the town were around Ochoa street, and Fort Bliss was separated from El Paso by three miles of prairie.

Then find the prices that were asked for real estate then—(remembering that this period was only fifteen years ago)—and compare them with today's prices.

Investigate the profits that can be made from El Paso real estate—from 8 percent to 12 percent and higher.

Then go and have a talk with some members of the companies whose names are signed to this advertisement. They will gladly give you more information, and you may find it to be well worth your while.

## ELECTRICAL MEN HOLD GATHERING

New Mexico Association Lays Plans for State Convention Next Year.

W. P. Southard of Albuquerque, N. M., president of the New Mexico Electrical association, and manager of the Albuquerque Gas, Electric Light and Power company, arrived in El Paso Monday and will remain for several days visiting the Irrigation Congress and the Soil Products exposition, Monday afternoon Mr. Southard presided at an executive session of the directors of the New Mexico Electrical association, at which plans were laid for the state convention to be held in Albuquerque on February 12, 13 and 14.

"This is the third year of the electrical association," Mr. Southard said, "and we now have an active organization of about 50 members. Highly profitable sessions are held each year, and our

## EVERYBODY NEEDS PURE, RICH BLOOD

Pure blood cleanses the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish, there is loss of appetite, sometimes faintness, a dazed state of the mind, and in general, all the symptoms of dyspepsia. Pure blood is required by every organ of the body for the proper performance of its functions. Hood's Sarsaparilla makes pure blood, and this is why it is so successful in the treatment of so many diseases and ailments. It acts directly on the blood, ridding it of scrofulous and other humors. It is a peculiar combination of blood-purifying, nerve-tonic, strength-giving substances. Get it today.—Adv.

membership is growing with the development of the state.

"I have heard that your Soil Products exposition is one of the finest shows of its kind ever given in the west, and I am anxious to see it and gain ideas for our show in New Mexico. We just finished the New Mexico state fair, which was an unequalled success."

"What over period of depression Al-hurquerque may have had a few years ago, the city is on the top wave of prosperity just now. We are having an unprecedented boom in building, both of residences and business structures."

## GEN. BELL AND STAFF TO BE GUESTS AT EXPOSITION

October 18th having been designated United States Army Day, the International Soil Products exposition management will receive Gen. George Bell, Jr., his staff and the entire command of the El Paso border patrol.

Chamber of commerce officials will accompany the army officers.

A special program of music has been arranged by the Mexican City National band in honor of Gen. Bell and his staff.

One of the features of the day will be the attendance at the exposition of the Popular company, four hundred strong.

The R. P. O. Elks will have luncheon at the Mexican village Wednesday as a part of their program. The visiting delegations from the sister cities will be in attendance and will be escorted to the grounds by chamber of commerce committee.

## COYNE FOUND GUILTY ON A CHARGE OF WHITE SLAVERY

Leo F. Coyne, of Seattle, Wash., was found guilty by a jury before Judge Gordon Russell in the United States district court Tuesday, on a charge of white slavery. Coyne is the fourth man to be convicted or to plead guilty in the federal officers' recent crusade in El Paso against what seemed to be an organized gang operating in violation of the Mann act.

## PRESBYTERIAN MEN'S CLUB MEETING AND FEAST POSTPONED

Because of conflicting engagements by the speakers who were to have spoken at the Presbyterian Men's club luncheon, the monthly meeting of the club was postponed until next Tuesday evening.

It was planned to have several speakers from the Irrigation congress but, as these speakers were on the program for this evening, it was decided to postpone the meeting one week.

The plan for having a buffet barbecue lunch served by the officers of the club to the members will be carried out at the postponed meeting.

## SOLDIER UNCONSCIOUS IN ALLEY WITH INJURED HEAD

Unconscious, as a result of a large wound in the head, an unidentified cavalryman, believed to be attached to one of the regiments at Ft. Bliss, was found lying in an alley adjoining the Lion Grocery company, on South Stanton street Monday night at 10:30 o'clock.

The soldier was found by a party of police officers after residents of the district had heard a commotion in the alley. It is believed that the man was walking in his sleep and stepped off the second floor of one of the buildings overlooking the alley.

The injured man was removed to the local hospital, following an examination at the police station.

## IS ROBBED OF \$23,000 MEX. THINKS NEGRO WOMAN GOT IT

City detectives are looking for a negro woman, who it is believed stole \$23,000 in Mexican national bills from the pocket of Enrique Y. Ybanez, Sunday night while he was en route to his home on North Kansas street. Ybanez, according to his statement to the officers, was approached by the woman while he was walking up Kansas street, and missed his pocketbook shortly after passing her. The money was in bills of from \$500 to \$1000 denomination.

## SAYS LARGE WOMAN FELL ON HIM; WANTS \$20,000

## DON'T BE BILIOUS, HEADACHY, SICK OR CONSTIPATED

Enjoy life! Liven your liver and bowels to-night and feel great.

Wake up with head clear, stomach sweet, breath right, cold gone.

Take one or two Cascarabs tonight and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand, your head will be clear, your tongue clean, breath sweet, stomach regulated and your liver and thirty feet of bowels active. Get a box at any drug store now and get straightened up by morning. Stop the headache, biliousness, bad colds and bad days. Feel fit and ready for work or play. Cascarabs do not gripe, sicken or inconvenience you the next day. No salts, pills or calomel. They're fine!

Mother, should give a whole Cascarab anytime to cross, sick, bilious or fussy children because it will act thoroughly and not irritate.—Adv.
